SUBMISSION GUIDELINES

- Participants are invited to submit an abstract for consideration by the 11SICOG 2021 Scientific Committee.
- Only abstracts submitted online will be accepted. Abstracts submitted by fax, email or paper copy will not be considered.
- The 11SICOG 2021 will consider works presented at previous Non-SICOG congresses. Authors must indicate if the work has previously been presented, both at the point of submission by ticking a box in the submission form below, and disclose this during their final presentation if chosen for it.
- An abstract would be considered for E-Poster Presentation or Oral Presentation. The Committee reserves the right to decide on the final method of presentation for selected entries. Acceptance notification will reach authors via email by 30 June 2021.
- If an abstract is selected, at least one author must be a paying congress registrant and attend the Congress.
- Abstract (400 words) should contain the following categories (Background - Material & Methods - Results - Conclusion). Please ensure that you select a correct poster category. Submit soon!
